

# GVX

## MOP SYSTEM

WITH THE POWER OF OXI PRO

### WHY USE THE GVX MOP SYSTEM WITH OXI PRO?

Ditch the dirty mop bucket for GVX's Clean and Hold™ technology. A fast, easy, and highly effective system that leaves your floors clean and residue free. Experience the amazing cleaning power of pharmaceutical grade Australian Tea Tree oil and stabilized hydrogen peroxide. Each system comes with a mop, 10 mop heads, mop bucket, and 1 gallon of Oxi Pro.

1. Add a gallon of water and one cap or 1 oz of Oxi Pro.
2. Pop on a clean mop, mop until the head is loaded with soil.
3. Remove soiled head, repeat until clean.

### Benefits:

- Save Money - One Cleaner, Reusable Mop Heads.
- Highly Effective on Urine and Odors.
- Great Natural Tea Tree Oil Scent.
- Neutralize Allergens and Micro-Organisms.
- More Sanitary - No Mopping with Dirty Water.

## SPOTTER SYSTEM

WITH POLE BRUSH AND NXT CARPET CLEANER

### WHY USE GVX SPOTTER SYSTEM WITH NXT CARPET CLEANER?

Stains happen! Use the GVX Spotter System to quickly, and easily remove virtually any stain from your carpet or textile surface. It is as simple as 1 - 2 - 3.

1. Liberally apply NXT to the stain.
2. Agitate with the GVX Pole Brush.
3. Blot with a microfiber cloth

### Benefits:

- Super Easy, and Extremely Effective.
- CRI Approved Chemistry.
- Safe on Textiles and Wool.
- Ecofriendly - Green Seal Approved.
- FiberShield™ Technology - No Residue, Re-soiling Protection.

**Add OxiPro** for urine, odors, mold, mildew, and other organic stains.
